

DISCLOSURE REGARDING BACKGROUND INVESTIGATION

The University of Scranton (the "School") may obtain information about you from a third party consumer reporting agency for purposes of evaluating your application for participation in an educational program with the School or for participation in clinical, experiential, residency, or other education or degree requirements at a health care facility or clinical program, which may be deemed to be "employment purposes" under the Fair Credit Reporting Act ("FCRA"). Thus, you may be the subject of a "consumer report" which may contain information regarding your criminal history, social security verification, motor vehicle records ("driving records"), verification of your education or employment history, or other background checks. These reports will also include immunization records and other applicable health information to be used for the above stated permissible purposes, specifically verifying your compliance with health care facility requirements for accessing the facility and participating in clinical, experiential, residency, or other education or degree requirements at the facility.

You have the right, upon written request made within a reasonable time, to request whether a consumer report has been run about you and to request a copy of your report. These searches will be conducted by a third party consumer reporting agency. The scope of this disclosure is all-encompassing, however, allowing the School to obtain from any outside organization all manner of consumer reports throughout the course of your participation in the educational program or clinical, experiential, residency, or other education or degree requirements to the extent permitted by law.
